English

Experience

November- 2023

Kuliah umum PNJ 2023

Head of Operational Division

Assisted in managing daily operations, ensuring task coordination, and supporting team efficiency through effective planning and execution.

Januari-2025

Ingoude Company

Trainer SOLIDWORKS, ZW3D

Conducted training sessions on SolidWorks basics and advanced features, guiding students in 3D modeling and technical drawing with practical, hands-on projects.

Februari-2025

Kuliah Umum PNJ 2025

Head of Consumption Division

Led food and beverage planning and logistics for events, ensuring quality, punctuality, and efficient budgeting for all consumption needs.

Education

2020-2023

SMA Negeri 48 Jakarta

Science Class

Actively participated in structured science programs involving experiments, research discussions, and collaborative projects. Developed strong analytical thinking, teamwork, and a practical understanding of scientific concepts through hands-on exploration.

2023-Present

Politeknik Negeri Jakarta

Manufacture

Studying the principles of manufacturing systems, mechanical design, and production technology. Gained hands-on experience with CAD/CAM tools, machining processes, and industrial automation to solve real-world engineering problems efficiently.

Certificate

Jan 2025 | Certified of attendance

Free Training SOLIDWORKS, ZW3D

Oct 2023 | Sertifikat Kuliah Umum PNJ PSDKU Pekalongan

Head of Operational Division

Software
